DeLores

UNDENIABLY POWERFUL • DYNAMIC • HIGH ENERGY • MOTIVATOR!

Realize Your Most Marvelous Life!

You are uniquely created to do something special in this life. Knowing the very essence of your creation and make-up will allow you to tap into your personal reserves and bring forth something truly special that only you have the ability to offer to this world. Your mindset and perspective will be elevated and expanded so you can really see how beautiful, powerful, marvelous and magnificent you really are.

There is no one else built like you or fashioned to do what you were created to do. And that's why your particular life must be discovered. The real value of why you exist must be uncovered and given a chance to live.

You will gain these insights:

- How to create happiness and fulfillment through knowledge of self
- How to become more confident and courageous to take inspired actions
- How to obtain real freedom to step into the life you were created to live
- How to tap into those unfulfilled dreams by discovering who you are

Unleash Your Inner Brilliance & Make Things Happen

Before you can effectively lead others it's important to understand who you are as a person. It's important to act and be more confident in all that you do. A strong feeling of confidence in yourself and your abilities will allow you to naturally motivate and inspire the best in those around you.

A leader lives in everyone and knowledge of that will create opportunities. On a quick journey of self-discovery, you'll learn how to uncover obstacles and open doors you've closed in your life. This will also place you on target to not only be a better leader, but a better more powerful YOU—for life, not just a few days after the program is over. Spend a fun, inspirational and thought provoking time with yourself while learning to:

- Recognize the power of your unique strengths, gifts and experiences
- Put your mindset to work
- Gain greater influence
- Push past any fears, excuses or barriers that hold you back
- Set realistic and achievable career and life goals

Supercharge Your Success: Powered by DECAF

Have you had your DECAF today?

We're not talking about a beverage. We're talking about a powerful way to take control of your own development and skyrocket your confidence. It's a whole new attitude that will supercharge your results.

DeLores is brimming with simple yet powerful strategies to get you percolating with excitement about your potential … once you know the DECAF method to success.

- Decide your needs – Learn to become crystal clear about your specific needs and goals. You'll increase your chances for success.
- Empower yourself – Discover the joy in giving yourself permission to be bold, powerful and successful.
- Commit – Enjoy phenomenal success by keeping commitments to yourself and others. Everyone who has achieved great things has a powerful back story about their commitment to be the best and do their best.
- Act – Develop the discipline to take at least one powerful step forward every day. You'll soon find yourself at the finish line.
- Follow through – Don't let your great ideas die due to lack of inaction. Learn how to motivate yourself to follow through on even your most challenging tasks.
